University of Tennessee	B.S. in Mathematics Minor in Computer Science	May 2002

Professional Experience

Research Project Associate

July 2009 - present

Center for Postsecondary Research • Indiana University • Bloomington, Indiana

- Analyzed data and produced reports related to the National Survey of Student Engagement (NSSE), the Faculty Survey of Student Engagement (FSSE), the Beginning College Survey of Student Engagement (BCSSE), and the Law School Survey of Student Engagement (LSSSE)
- Contributed to the NSSE and LSSSE Annual Results reports
- Analyzed psychometric properties of NSSE

Client Services Project Associate

July 2007 – June 2009

Center for Postsecondary Research • Indiana University • Bloomington, Indiana

- Supported and guided institutions participating in NSSE, FSSE, and BCSSE, including administration and promotion of the surveys and interpretation of results
- Coordinated Client Services Webinars, including identification of topics, creation of materials, and scheduling (2008-2009)
- Monitored national media releases and news stories to create local archive of stories, track trends, and alert Center staff of stories and discussions related to Center projects (2007-2008)

Information Technology Fellow

January 2006 - June 2007

Technology Integration Services • Sewanee: The University of the South • Sewanee, Tennessee

- Implemented a new online university-wide calendar and event- and resource-scheduling system (Astra Schedule); gathered and analyzed requirements and business practices, configured software and entered data, developed documentation and marketing, and trained users and administrators
- Planned and conducted group training and one-on-one consulting with Sewanee faculty and staff in the development, maintenance, and improvement of university and faculty websites using the Sitemason content management system and other tools and technologies such as RSS and podcasts
- Planned and implemented a "Revitalization Program" to improve and restructure the Residential Computing Consultant (RCC) program, including significant involvement in recruitment, selection, and training of 23-28 RCCs

Member, ResNet Applied Research Group

July 2004 - present

Volunteer-run research group affiliated with the ResNet Symposium

- Conducted, presented, and published original research regarding residential computer networks:
 - Multiple (2005 and 2008) comprehensive surveys of residential computer networks at hundreds of institutions, including organization, funding, staffing, and infrastructure
 - Research into online entertainment services, including a survey of 31 institutions who have employed them
 - Survey of security issues and related institutional responses, technologies, and policies
 - Qualitative content analysis of ResNet Symposium activities from 1995-2006 to identify ongoing, periodic, and one-time themes and trends common to ResNet programs

ResNet Coordinator

June 2002 – August 2005

Department of Housing and Residence Life • University of West Florida • Pensacola, Florida

- Supported and educated over 1500 on-campus residents in the proper technical, legal, and ethical use of the computer network in the residence halls and apartments
- Hired, trained, and supervised part-time ResNet Technician student staff
- Collaborated with other departments and vendors to troubleshoot and maintain network equipment
- Integrated technology with new and existing business, assignment, and residence life processes to improve student life and University business practices, reduce costs, and increase efficiency, including transitioning housing management software to modern database-driven, web-based software including all resident records, financial information, and building/room setup
- Developed and administered technology training ranging from introductory training for Housing staff to ongoing professional development and technical training for student ResNet Technicians
- Developed, evaluated, and supported computer systems and processes, including webpages, housing management software, financial systems, and reports using SQL and Crystal Reports
- Coordinated departmental assessment efforts
- Collaborated with multiple departments to create and publish marketing publications for wide-spread distribution by multiple departments (Admissions, Athletics, International Center, Honors, etc.)

Instructional Experience

Graduate Student Advisor, EDUC U549: Environmental Theory and Assessment in Higher Education

Fall 2009

School of Education • Indiana University • Bloomington, Indiana

- Advised and mentored six Higher Education and Student Affairs Master's students conducting a semester-long original research project investigating the impact and perception of gender-neutral restrooms

Instructor, EDUC U212: Virtually Real: Myths and Realities of Online Identities

Fall 2008 & Spring 2009

School of Education • Indiana University • Bloomington, Indiana

- Independently developed and taught 2-credit undergraduate course of 20 students intended to help them recognize, understand, and describe some reasons and motivations, particularly those related to self-identity, useful for understanding behavior common in online environments, particularly social network services.

Co-Instructor, SLS1301: Freshman Year Experience

Aug 2004 - Dec 2004

College of Arts and Sciences • University of West Florida • Pensacola, Florida

- Cooperatively developed syllabus, graded assignments, and instructed one section of SLS1301: Freshman Year Experience
